

## LED Mesh Lite® 200 36V

Predecessor: 028-014

**029-014**

LEDML-200-36VTR-VWW

### Description

#### Product description

Our Mesh Lite® is a low voltage product. The light mesh is available in two sizes - 2m x 1m, and 2m x 4m. According to the model chosen, either 96 or 200 patented points of LED light shine out. By means of the patented Quick-Fix® system, several segments may be connected together without problems. The power supply for all the 36V products to be connected is provided by a central transformer. The number of light meshes that can be connected up is governed by the rating of the chosen transformer.

#### Decoration solutions

Due to the "honeycomb" pattern of Mesh Lites®, the points of light appear symmetrical. This creates a calm, regular and elegant effect. Mesh Lite®, the professional choice for light nets, offers a range of decoration solutions: the light net can easily be wrapped around columns, shrubs and bushes, and, when mounted above corridors and paths, creates a starry sky effect. The LEDs are available in the colors brilliant white and warm white.

### Dimensions

 LED warm white ( 200 LED )

 transparent

Size (L-W-H): 400 x 200 x 0 cm

Number of segments: 1

Lamps per segment: 200

Length per segment: 4.00 m

Watt/segment: 7.2 W

Watt: 7.2 W, 7.2 VA

Max. Wattage: 28.4 W

Operating voltage: 36 V DC

Operating mode: Power supply

Connectable: yes

Number of connectable: 6

QuickFix® connection system

### Packaging - Product

Type of Packaging: Sales Box

EAN-Code: 9120079031352

Size (L-W-H): 20 x 16 x 8 cm

Produkts/Packaging: 1

### Packaging - Inner Box

Type of Packaging:

EAN-Code:

Produkts/VPE: 1

### Packaging - Shipping

Type of Packaging: Brown carton

EAN-Code: 9120079036043

Size (L-W-H): 42 x 34 x 34 cm

Weight: 15.72 kg

Produkts/VPE: 16
