- Beautiful centrepiece pendant perfect above a dining table • Satin soft, matt surface
- Lights both up and down • Beautiful centrepiece pendant perfect above a dining table

Stay is designed by Maria Berntsen and is a modern, yet timeless lighting design at the same time. The oblique cut of the shade creates an open and pointing shape that allows for lots of light to shine through. The Stay pendant emits a soft, comfortable light both upwards and downwards – and creates the perfect ambience for cosy moments around the dinner table.
