SHORT DESCRIPTION
<p>OX-ON Banded Earplugs Comfort is an affordable, lightweight banded earplug for you, who are periodically exposed to noise when you work professionally or at home.</p> <p>This banded earplug can be put on and taken off quickly, and the replaceable PU earplugs give you great comfort and seal tightly at the ear canal opening.</p> <p>The band is placed under the chin or around the neck where it does not bother you and therefore it feels light and flexible to wear.</p> <p>This banded earplug has an extraordinary high attenuation value compared to other banded earplugs in the market.</p> <p>OX-ON Banded Earplugs Comfort has a attenuation value (SNR value) of 30 dB.</p>
