

**CableClips**  
MULTI-PURPOSE CLIPS

# MULTI-PURPOSE CLIPS TO KEEP ALL SIZES OF CABLES TIDY AND UNTANGLED / FOR THE HOME, OFFICE, WORKSHOP AND TRAVELLING.

## SHORTENING AND STORAGE /

CableClips make storing your cables easy and fun. Quick to fasten, they will hold your cables in a convenient & compact bundle for the home, office or for travelling. When required the cable can either be partially extended, loop by loop, or the entire cord released all at once.

Perfect for stowing away all surplus cables or for keeping dangling cords tidy, clean & secure. They are also great for laptops, cluttered desktops and all electronic accessories & chargers.

## AVAILABLE IN THREE SIZES /

**SMALL:** Ideal for short or thin cords such as earbud cords, small data cables and charger cords.

**MEDIUM:** Ideal for shortening or storing USB & data cords, small power cords, audio cords and phone cables.

**LARGE:** Ideal for shortening or storing thick or long power cords and ethernet network cables.
