Twinkly Mini Caps – 100 silicone spheric caps for Twinkly Lights

Description

Twinkly's Mini Caps are an exciting new set of capsules designed to transform your Twinkly LEDs into a lighting design product ready for the whole year. With their sleek 15 mm size, they are perfectly made to enhance your classic Twinkly products and make them even more of a highlight in your home. Highest-quality crafted silicone helps to diffuse the magical Twinkly light up to 150%, getting more out of your Twinkly than ever before.

Features

AN ELEGANT ADDITION. MiniCaps will fit any classic Twinkly product in your smart home, from the Multicolor to the Gold & Silver range.

BEAUTIFULLY DIFFUSED. With MiniCaps, every classic Twinkly product finds the best enhancement with over 150% more lighting and a completely glare-free experience.

GET MORE OUT OF YOUR TWINKLY. Crafted out of the highest quality silicone, MiniCaps turns your classic Twinkly lights into an attraction all-year-round.
