LIGHTING FOR YOU

Ceiling lamp

THIAGO – 652690342

incl. 1x SMD LED, 39W · 1x 4500lm, 3000 – 6000K

- **Remote control**
- **Integrated dimmer**
- **Light color infinitely variable**
- **Night light**
- **Not suitable for external dimmer**
- **Wall- & ceiling mounting**
- **RGBW Colorchanging**
- **Memory function**
- **IP20**
- **WiZ Connected**

Get your light connected! The THIAGO ceiling light provides an innovative, flexible and smart lighting design. The WiZ luminaire offers an incredible colour spectrum of 16 million colours and 64,000 white tones. Wake up with gentle sunlight, starting your day full of energy, relax with soothing light or turn night into day - simply via the app. Compared to other smart home providers, WiZ luminaires do not require an additional gateway, so that all luminaires can be operated completely flexibly from a mobile device. Furthermore, the lights can be combined with Amazon Alexa or Google Home, so that operation by voice control is possible. Various lighting programs and settings can also be selected with the remote control supplied, or using the light switch. Another advantage is the flexibility of use: This means that the WiZ lights can be controlled by several users, assigned to different rooms or locations and controlled from anywhere. The composition of three filigree rectangles creates a modern luminaire for the living room or entrance area. The ceiling light is designed in anthracite and can be easily integrated into existing colour concepts. The lamp also features a modern LED technology, which is characterised by excellent lighting quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and are environmentally friendly.

Material construction

Metal · Anthracite

Product dimensions

Width: 114cm
Height: 8cm
Depth: 75cm
Weight: 2,71kg
