The light points are arranged at different heights and also provide a pleasant lighting scenario. Whether switched on or off, the luminaire is a real showpiece in any living area. Designed in matt black, the lamp, in combination with the subtle gold-coloured details, perfectly rounds off modern living concepts. The use of an LED light source is recommended for energy-saving lighting. These are an excellent alternative to conventional halogen lamps and represent a high quality of light together with energy savings of up to 80%.
