

Table lamp

RICO – R52811001

incl. 1x SMD LED, 1,5W · 1x 50lm, 3000K

- Cable switch
- Remote control
- Integrated dimmer
- Registered model
- RGBW Colorchanging
- Memory function
- IP20

Simple design - exciting lighting results. The pared-down design of the RICO table luminaire leaves room for practical functions and a fantastic play of light with a star motif. Equipped with an RGBW colour changer, the luminaire can be dimmed and the light colour individually adjusted using the remote control supplied. In addition, the luminaire has a built-in memory function so that the last light setting selected is saved and used again when the luminaire is switched on again. Whether in the children's room, party room or even the living room, the table luminaire develops its full effect in the dark and provides exciting lighting accents. When switched off, the standard lamp presents a simple appearance and is made of white acrylic and a base in chrome. The light also features modern LED technology, which is characterised by excellent lighting quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and are environmentally friendly.

Material construction

Metal - Chrome

Product dimensions

Height: 38cm
Diameter: 8cm
Weight: 0,38kg

Technical data

Light source: SMD – LED (integrated)
Watt: 1,5W
Lumen: 1x 50lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 25000H
Switching cycles: 15000x ON/OFF

operating voltage: 230V ~ 50Hz
Protection grade: 2
IP classification: IP20
