

Floor lamp

PALMAS – R45101901

incl. 1x SMD LED, 4,5W · 1x 120lm, 3000K

- **Switch**
- **Remote control**
- **Integrated dimmer**
- **RGBW Colorchanging**
- **Rechargeable battery operated**
- **IP44**

The striking PALMAS is the perfect choice for expressive outdoor lighting. Whether used individually or combined in a group, this series leaves an impression. Thanks to the integrated RGBW colour changer, the light colour can be easily changed via remote control. Thus, the lamp not only sets colourful accents, but also provides the perfect atmosphere! Thanks to battery operation, it can be placed flexibly in any location. The battery is charged via a USB port. The white design of the luminaire allows the RGBW colours to be shown to their best advantage and makes it wonderfully easy to combine with existing garden furniture. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

Plastic · White

Product dimensions

Height: 120cm
Diameter: 37cm
Weight: 4,21kg

Technical data

Light source: SMD – LED (integrated)
Watt: 4,5W
Lumen: 1x 120lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 50000H
Switching cycles: 15000x ON/OFF

operating voltage: 230V ~ 50Hz
Protection grade: 2
IP classification: IP44
