

Table lamp

NICO – R50591032

excl. 1x E27 · max. 40W

- Cable switch
- IP20
- Lamp(s) not included

The modern NICO table lamp provides decorative light. The minimalist design has an elegant appearance yet also transforms the lamp into a modern decorative element. On the chest of drawers or side table, the table lamp provides soft and pleasant supplementary light. The lamp is equipped with a cord switch, making it easy to switch on and off. The combination of matt black and a smoke-coloured glass shade is particularly popular in modern and minimalist furnishing styles. The use of an LED light source is recommended for energy-saving lighting. These are an excellent alternative to conventional halogen lamps and represent a high quality of light together with energy savings of up to 80%. With LED lighting, you also benefit from a long service life and low heat generation, while at the same time protecting the environment.
