Perfect and variable lighting! The MARLEY spots are not only practical in form and function, but, most of all, one thing: minimalist! The luminaire is discreet in design and stands out with its high-quality workmanship. The spotlights of the 4-light ceiling lamp are freely movable and can be individually positioned as desired. Whether in the kitchen, hallway or living area: the MARLEY is versatile and can be easily combined with various furnishing styles. The modern combination of wood and metal in matt nickel ensures cosiness and is fully in line with the trend. The use of an LED light source is recommended for energy-saving lighting. These are an excellent alternative to conventional halogen lamps and represent a high quality of light together with energy savings of up to 80%. With LED lighting, you also benefit from a long service life and low heat generation, while at the same time protecting the environment.
