

Table lamp

MALU – R50802667

excl. 1x E14 · max. 40W

- Cable switch
- IP20
- Lamp(s) not included

Simple eye-catcher - MALU table lamp in Scandinavian design. Indirect light from table luminaires creates an evocative room atmosphere and decorative lighting accents. The modern ceramic luminaire should be placed prominently indoors, because switching it on and off is a highlight. In antique nickel with a black fabric shade, the table lamp can be easily integrated into existing colour concepts. The use of an LED light source is recommended for energy-saving lighting. These are an excellent alternative to conventional halogen lamps and represent a high quality of light together with energy savings of up to 80%. With LED lighting, you also benefit from a long service life and low heat generation, while at the same time protecting the environment.

Material construction

Ceramic · Nickel antique
Fabric · Black

Product dimensions

Height: 26cm
Diameter: 16cm
Weight: 0,45kg
