## LOU – R50963844

excl. 1x E27 · max. 60W

- Cable switch
- IP20
- Lamp(s) not included

Natural materials are absolutely trendy. They create a cosy atmosphere in your home, inviting you to linger. Thanks to the combination of ceramic and fabric, the LOU table lamp gives your living room a natural and inviting atmosphere. Whether its used as a bedside table lamp in the bedroom, on the chest of drawers or on the side table in the living room, the table lamp provides the right lighting mood, while also adding decorative accents. The lamp is equipped with a cord switch, making it easy to switch on and off. Thanks to its simple beige and brown colour scheme, the table lamp harmonises perfectly with soft colours and natural furnishing concepts. The use of an LED light source is recommended for energy-saving lighting. These are an excellent alternative to conventional halogen lamps and represent a high quality of light together with energy savings of up to 80%. With LED lighting, you also benefit from a long service life and low heat generation, while at the same time protecting the environment.
