ALL NEW ROCALIBER SERIES

Two solutions for professional processing of plastic pipes

Dual Mode

ROCALIBER series incorporates TWO features in ONE tool: calibrator and internal deburrer

Small & Large Variants

100 % coverage rate of widely spread plastic pipe diameters (EU) with both variants ROCALIBER S & L

ROCALIBER S
No. 1000004482

RO-Ratchet Handle

Ergonomic T-Shape Handle with integrated RO-Ratchet eases Plumber's Life in both daily usage and all potential calibrating scenarios due to its effortless operation

ROCALIBER L
No. 1000004583

Robust Design

Special material treatment of ROCALIBER's machining surfaces gives preciseness as well as reliability to every user

ROCALIBER S for smaller plastic pipe diameters: 16 / 20 / 26 (25) / 32 mm

ROCALIBER L for large plastic pipe diameters: 40 / 50 / 63 mm

NEW

ROTHENBERGER
pipetool technologies at work

ROCALIBER S (Small) & L (Large)

The all new ROCALIBER series of ROTHENBERGER will convince the user with both supportive T-Shape Handle and versatile applications due to its Dual Mode Feature (simultaneous Calibration & Deburring) in daily on the job challenges. The implemented RO-Ratchet enables the ROCALIBER to be operated continuously without putting the tool down all the time. This feature benefits in saving time and reduced effort during continuous multilayer pipe preparations.

Furthermore, ROCALIBER's Ratchet-Handle can be particularly useful in narrow constellations and/or hard to reach areas, as it makes calibrating in limited spaces much more convenient. Additionally, ROCALIBER's cutting edges & plane surfaces underlay a special material treatment which guarantees a precise and long lasting performance over product's entire lifespan.

Application benefits

- Ensures convenient & stressless operations over a long period of time
- ONE tool for TWO applications (calibrating and deburring)
- Precise and long-lasting performance

Model

	Weight	PU	No.
ROCALIBER S, 16 / 20 / 26 (25) / 32 mm	0.280 kg	1	1000004482
ROCALIBER S, 16 / 20 / 26 (25) / 32 mm, 10 pcs.	2.970 kg	10	1000004624
ROCALIBER L, 40 / 50 / 63 mm	0.450 kg	1	1000004583
ROCALIBER L, 40 / 50 / 63 mm, 6 pcs.	2.900 kg	6	1000004623
