

SKOT LED UPGRADE KIT

Skot LED Upgrade Kit - 10000150631

The fixture is available with two types of distribution: symmetric or half shaded. The half shaded is only recommended for wall mounting. The opal diffuser creates a soft light distribution. For higher efficiency the clear version can be selected. The LED-upgrade kit (also referred to as LED Retrofit kit) allows you to replace the old electrical components with a complete modern new LED unit, while retaining the original fixture.
