

Shelly BLU Remote Control ZB

Bluetooth & Zigbee 4-Channel Smart Remote Control

White: 3800238072162
 Black: 3800238072179

Product description

The Shelly BLU Remote Control ZB is a stylish and versatile 4-channel remote control that gives you effortless management of Shelly devices, groups, and scenes. Available in both black and white, it comes with a practical wall mount that can be installed with either adhesive or screws.

With four programmable channels, you decide what each channel controls—anything from individual relays and dimmers to entire groups of devices. Switching between channels is simple via the two arrow keys, and all functions can be configured in the Shelly Smart Control app or through local pairing.
