ARDEN PRO  
Arden GU10 Round White Bezel

Round White Bezel  
3-Pole Connector Block For Easy Install

| GENERAL INFORMATION                            |                                |
|------------------------------------------------|--------------------------------|
| Product Code                                   | NAN/PRO/GU10/RO/WH             |
| Product Range                                  | Downlights                     |
| Product Category                               | Downlights                     |
| IP Rating                                      | 44 to rear                     |
| IK Rating                                      | N/A                            |
| Warranty                                       | 7 Years                        |
| DIMENSION/WEIGHT                               |                                |
| Dimensions Circular (DIA x H) (mm)             | DIA=Ø89, H=73                  |
| Dimensions Square/Rectangular (L x W x H) (mm) | L=0, W=0, H=N/A                |
| Cut-out Size (mm)                              | Ø80                            |
| Product Weight (Kg)                            | 0.3                            |
| CONSTRUCTION                                   |                                |
| Body Material                                  | Aluminium / Nylon              |
| Body Colour                                    | N/A                            |
| Optical Material                               | N/A                            |
| Optical Finish                                 | N/A                            |
| Termination                                    | 3x2x2.5mm sq. Push In Terminal |
| Driver - Intergal or Remote                    | N/A                            |
| PACKAGING                                      |                                |
| Carton Dimensions (mm)                         | N/A                            |
| Quantity per Outer Carton                      | N/A                            |
| Total Weight inc. Carton (Kg)                  | N/A                            |

| LUMINAIRE PERFORMANCE        |                 |
|------------------------------|-----------------|
| Energy Rating                | N/A             |
| Luminaire Lumens (lm)        | N/A             |
| Power Consumption (W)        | Check lamp data |
| LED Lumens (lm/W)            | N/A             |
| Efficacy (l.lm/c.W)          | -               |
| Operating Temp. (Min/Max)    | -20°C to 25°C   |
| LIGHT SOURCE                 |                 |
| Type                         | Not supplied    |
| Correlated Colour Temp.      | N/A             |
| Colour Rendering Index (CRI) | N/A             |
| Lumen Depreciation           | N/A             |
| SDCM                         | N/A             |
| ELECTRICAL INPUT             |                 |
| VOLTAGE (V)                  | 220-240V AC     |
| Operating Frequency          | 50              |
| In Rush                      | N/A             |
| Drivers per MCB*             | N/A             |
| Class                        | Class 2         |
| Power Factor                 | N/A             |
| Cable Entry                  | Connector Block |
| ELECTRICAL OUTPUT            |                 |
| Forward Current (mA)         | N/A             |
| Forward Voltage (Vf)         | N/A             |
| EMERGENCY DATA               |                 |
| Mode of Operation            | N/A             |
| Battery Duration             | N/A             |
| Battery Type                 | N/A             |
| Battery Specification        | N/A             |
| Ballast Lumen Factor (BLF)   | N/A             |
| DIMMING                      |                 |
| DALI                         | N/A             |
| OTHER                        | N/A             |
| Switch Dim                   | N/A             |
| Corridor Function            | N/A             |
| SENSORS                      |                 |
| Microwave                    | N/A             |
| PIR                          | N/A             |
| STANDARDS/APPROVALS          |                 |
| CE Marked                    | Yes             |
| Certificate of Conformity    | Yes             |
| Accreditations               | N/A             |
