POWX3013

ASH CLEANER 1600W

Removing ash from the fireplace or barbecue is a breeze with the POWX3013's 17kPa of suction power. Its 1600W motor provides the device with even more suction power and a longer motor lifespan. And it requires only little maintenance.

The sturdy and durable 20 litre steel tank and the aluminium suction nozzle are resistant to cooled down ash with a maximum temperature of 40°C. The high-efficiency filter retains even the smallest dust particles, providing a clean and healthy environment.

Thanks to its compact design and the convenient carrying handle, the ash cleaner is easy to transport. It is also equipped with a blow-function. Therefore, it is ideally suited to keep your patio or workplace free from leaves and dust as well.

TECHNICAL SPECIFICATIONS POWX3013		Features	Box content	Symbols
Rated voltage-frequency	220-240V~50Hz	• Quick and easy to use • Strong and durable tank • Safe: does not exhaust particles into the air • Ideal for cleaning up coals, ashes, sawdust... • High efficiency filter system	1x ash cleaner	CHEMICAL SAFETY ☒ CE RoHS
