Scorpius Maxi Wall light for outdoor use has a classic and timeless design. Scorpius has many uses – the perfect fit at the front door, at the entrance, on the fence, or in the stairwell. It can be used alone or with several placed side by side. This product is part of our "Designed For Seaside" range, crafted from extra durable materials to withstand even the harshest coastal weather conditions. Over time, exposure to the elements causes the galvanised steel to develop a beautiful, darker patina.
