OUR QUALITY ISO 9001:2008 & OUR SAFETY OHSAS 18001

It is a pleasure to announce that our company, GABASWIRE "Gabas Albilad Wire Rope Factory" specialized in manufacturing steel wire rope for elevators, cranes, drilling and general engineering, has received the renewal of the certificate in compliance with the standard ISO 9001:2008 for its Quality Management System.

For GABASWIRE, the renewal of its ISO 9001 certification is a **strategic priority**. More than just a certificate of "good quality", ISO 9001 represents a tangible working tool that helps to better organize, optimize and improve the operation of the company.

After the successful achievement of the renewal of ISO 9001:2008, Gabaswire has reached another important objective of the company policies for a Safe and Healthy working environment. The company has been certified to comply with the standard **OHSAS 18001**.

The result rewards our efforts improving continuously the health and safety conditions of our company.

Lloyd Register Quality Assurance Agency has been in charge of studying and analyzing our departments and has granted ISO 9001;2008 and OHSAS 18001 certificates until 2018.

The recognition of the high quality level and manufacturing process is also certified by **API and ARAMCO's approval.**

We also take the opportunity of inviting you to visit our plant in the 2nd Industrial City in Dammam - Saudi Arabia to see our production, quality and to meet our international experts.

Looking forward to seeing you at our workshop, we wish you every success in your business

Sincerely GABASWIRE Team
