The permanent online stand is offered already filled in with the basic information of the firm; the Contracted has to fill in the stand fully, in all the languages used inside the virtual fair. The material for the placement of the advertising banners has to be sent to the Staff through e-mail at the following address: dimaggio@wiredrawing.net

All the future improvements of the platform are included, and won't be charged to the subscribing firm.

1. OBJECT OF THE CONTRACT

By signing this Contract, the contracted acquires the right to receive the chosen service, selected in the proper field of the contract. The contracted has to provide wiredrawing.net with all the documentation required to make the service active. The technical characteristics of the services are indicated in the contract, except for different agreements. wiredrawing.net has the right to cancel any contract that has been modified, in any way, without the authorisation of the Staff.

2. COST OF THE SERVICE AND TERMS OF PAYMENT

The cost of the service is indicated in the selected voice; the payment will have to be done in the mentioned modalities; the activation of the service will be done within 15 days from the signing of the contract. The whole material inserted in the selected enclosure will have to be sent through e-mail. The prices are valid until the date expiration of the contract.

3. RESPONSIBILITIES

wiredrawing.net does not take any responsibility for breakdowns and poor services caused by external events or for possible services furnished to wiredrawing.net, by third parties and used for the supply of the service in question. Such events will not be a reason for the annulment of the contract or reimbursement of damages, to the contracted or to other parties involved.

wiredrawing.net won't be responsible towards anyone regarding damages, losses and costs due to interruptions of the service, independently from their causes and/or origins that are not directly chargeable to evident omissions of wiredrawing.net.

In the cases above mentioned, wiredrawing.net will have the right to interrupt the lent service, without notice and reimbursement and it will be exempted from every pretension or action from third parties.

The contracted cannot assign the contract to third, to free and/or at onerous title, without expressed authorization of wiredrawing.net.

4. DURATION AND TACIT RENOVATION OF THE CONTRACT

The present contract is silently renewed at the moment of the expiration if a cancellation note does not reach wiredrawing.net through registered letter A/R, at least 15 days before the expiration of the same contract.

In case of tacit renovation, the contracted is held to the payment mentioned in the contract, maximum 30 days after the expiration of the same, according to the current pricelist at the moment of the expiration:

5. TERMS OF PAYMENT

The payment of the invoices must be effected within the due date of the same, through the mentioned formalities. In case of delay in the payments, the contracted must correspond the legal interests on arrears fixed by the Italian law, ex art. 1224 CC.

The contracted has to pay every expense or tax connected to the present contract.

The parts agree that in case of missed payment, passed 10 days from the term of payment indicated on the invoice, wiredrawing.net is authorized to suspend the service without notice and without any responsibility connected to the possible loss of data.

6. RESCISSION OF THE CONTRACT

The contracted has the faculty to recede from the present Contract by giving written communication through registered letter A/R within the peremptory term of 7 days after the stipulation of the Contract itself.

Passed 7 days, the Contract cannot be refunded or cancelled.

wiredrawing.net has the faculty to withdraw the present Contract for independent causes that can affect the supply of the service, such as technical incompatibilities or others, or any other irregular use, just by giving written communication. In such cases, the Contracted will have the right only to the residual contractual quota.

It is also agreed that wiredrawing.net cannot be in some way considered part of the contract stipulated between the Contracted and the users of the portal, that they remain the only subjects linked by the Contract.

7. WARRANTIES

The contracted guarantees that the material supplied to wiredrawing.net does not violate or infringes copyrights, trade marks, brevets or other consequential right expressed by the law and he takes the full responsibility of the material published in his own space.

In case of contrary, the Contract it will be resolved and interrupted, to the senses of the art. 1456 CC of Italian law, excluding that wiredrawing.net has to refund the price of the subscription and the services correlated to it.

8. VARIOUS DISPOSITIONS

Any change must have written form. All the communications related to the Contract, must be sent to the address indicated in the present Contract through registered letter A/R.

9. DELAY

Concerning what is not established by the present general conditions, the present Contract is regulated by the Italian Law.

10. COMPETENT COURT

For any controversy between the parts regarding the present Contract, it will be competence of the Court of Lecco.
