LETTER OF CONFIRMATION

Dear all valued customers,

Coronavirus which has originated from China is being a worldwide issue.

Organizations, companies and people all around the world are concerned with the impact it is causing.

KOS LIMITED is totally free from the virus as we do not source any material nor subsidiaries from China.

We are paying the most caution in order to prevent any unfavorable impact it could cause to us and our customers.

The virus will not have any influence on our production nor quality.
