New Dog Checklist

The introduction of a new family member is exciting, make sure you're well equipped for your dog's first day home by making sure you have these essentials:

- | | |
|---|---|
| <input type="checkbox"/> Collar and Leash | <input type="checkbox"/> Chew Toy |
| <input type="checkbox"/> Age Appropriate Dog Food | <input type="checkbox"/> Veterinarian |
| <input type="checkbox"/> Dog Bed and/or Crate | <input type="checkbox"/> Dog Training if Needed |
| <input type="checkbox"/> Food & Water Bowl | |

Get your home ready by removing anything that could be harmful or tempt your dog's natural chewing desires.

Consistency is key in training, make sure to avoid mixed messages by choosing one head of commands for your dog.

Let them explore and settle in by setting aside a safe, quiet place to put their bed or crate.

Plan ahead by lining up your new veterinarian and if you need one, a dog trainer.

And finally...Enjoy the Play!
