What is a KONG?

Chew Toy - Made of durable natural rubber, KONG is great for dogs that like to chew.

Treat Puzzle - Stuff a KONG with your dog's favorite kibble or treats for hours of enjoyment.

Fetch Toy - The playful snowman shape gives the KONG an unpredictable bounce, which dogs love to chase. Each game is new.

Crate Training - A stuffed KONG can help ease the anxiety of crate training and be used as a high-value treat inside the crate.

Stress Reliever - A KONG acts as a diversion, relieving stress, boredom and anxiety when dogs are left alone or need to be kept busy.
