

## EJ295 Chaise Sofa

Designed By Erik Jørgensen Studio, 2018

The EJ295 Chaise Sofa is an elegant, informal sofa with an international look. The voluminous cushions provide a high degree of comfort, and the wide chaise longue makes it possible to lie down and sit in a variety of different positions. The sofa's refined details draw on traditional upholstery skills. The piping along the edges of the loose cushions emphasises the shape. The sofa can be placed in the centre of a room and create a focus or be used as corner furniture making room for cosiness.
