Design story of the product

With its gentle curve and angled back, Eyes lounge is an open invitation to sit back and stay a while. The simple shape lends itself to the opportunity to customise. Eyes is a versatile series of chairs that you can truly personalise.

Company Description:

Since 1911 the core of Fredericia's company ethics has been to encourage customers to buy fewer but better products. With the ultimate goal of creating furniture's that become more beautiful with age and can be passed from generation to generation. These core values are rooted in our sense of responsibility, seen in our use of natural materials, our ethical methods of production and our respect for the people using our furniture every day.

Supplier Support:

Through our ongoing implementation of Sustainable supplier selection and Code of Conduct, we ensure that our suppliers meet our conditions regard to human rights and environmental standards among other things.

Design for Environment Criteria:

In the phase of developing new products or re-engineering existing products Fredericia Furniture follows the below listed principles:

- Timeless design
- Long material lifetime
- Crafted to last
- Easing disassembly of products to increase circularity and ease repair of broken parts
- Increase the use of recycled materials

Material Declaration:

Fully upholstered shell in cold cured foam reinforced with a steel frame, covered in fabric or leather. Base and armrests of solid wood. Glides not included.

Environmental Data:

The whole product incl. packaging material

Recycled content: 22%

Virgin content: 78%

Life Cycle Assessment Data:

The Climate footprint = **100 kg of CO₂e** in a level 2 screening validated by the Danish Company, Målbar. This result is based upon the lowest emitting variant of the model and is Målbar's estimate on the outcome within the boundaries of 100 – 140 kg of CO₂e. The CO₂e accounts for carbon dioxide and other gases e.g., methane and nitrous oxide. The screening complies with the European LCA-rules PEF (Product Environmental Footprint) meaning that it covers the whole product life cycle incl. extrusion of raw materials to end-of-life handling.

Warranty:

Fredericia Furniture A/S offers a 7-year guarantee against manufacturing defects in standard products (materials and construction). Wear and damage to covers, surface treatment, inappropriate use and the like are not covered by the warranty.

Disclaimer:

The Climate footprint assessment is based upon delivery to an average EU customer and a 15-year lifetime. Be aware of the variety of assumptions when comparing different life cycle assessments from different companies as the level of detail can vary.
