

Piloti Wood Coffee Table

Designed By Hugo Passos, 2016

The Piloti tables in wood are made from solid oak. The Piloti series comes in a range of sizes and two optional heights, making them ideal individually, together in groups or nested above each other. A subtle profiling of the solid wood table top transits to the legs at each corner, creating a balanced entity. Piloti was designed by the Copenhagen-based Portuguese designer Hugo Passos in 2016.
