

Plan Cantilever Chair

Designed By Edward Barber & Jay Osgerby, 2026

Plan Cantilever Chair Fully Upholstered extends the simple language of the Plan family through a light, floating construction. The distinctive tubular steel frame without rear legs introduces a subtle flex and gentle movement, while the fully upholstered seat and back offer a softer, more embracing comfort. A simple yet characterful design by Barber Osgerby.

MODEL
3484 - Fully upholstered
