

Swoon Lounge Petit Armchair

Designed By Space Copenhagen, 2019

Swoon is a modern lounge chair with a sculptured shape. Its organic curves allows for many seating postures, thus making it perfect for lobbies, receptions and break-out areas, where versatile use is in focus. Space Copenhagen designed the chair to fill the gap between traditional lounge chairs and larger easy chairs – the result is a less formal typology with a recognisable and contemporary character.

MODEL
1776 - Swivel base

MATERIALS
Fully upholstered lounge chair with aluminum swivel base. Inner shell in moulded cold cured foam in HR or CMHR foam, reinforced with a steel frame. Removable seat and back cushion of foam, with removable cover. External cover is non-removable. Available in fabric or leather.
