

# YourCity

## YourCity @Fieldfisher

The **YourCity programme** culminates in a half day visit to City law firm Fieldfisher where your child will:

- Have the opportunity to take part in an interactive workshop to learn about what lawyers do;
- Find out about the wide variety of roles and jobs in a City law firm; and
- Be set an extracurricular team research project to find out about the life of a lesser known influencer in British history.

## YourCity Graduation

The results of the research projects will be shared with all of the **YourCity** participants at a special graduation evening, for you and your child, to celebrate their completion of the programme.

**YourCity** is a joint initiative from the Windsor Fellowship and **the network**, Fieldfisher's action group for staff who recognise the value in their work place better reflecting the diverse make-up of society.
