## Napa Valley's Model Bakery, Clif Family Winery make Oprah's 'favorite things' list

North Bay-based celebrity chef Thomas Keller and Tuscan olive oil producer Armando Manni collaborated on Napa-made K\_M Extravirgin Chocolate. It made Oprah Winfrey's "favorite things" list in November 2017.

Two St. Helena-manufactured goodies have made Oprah Winfrey's "favorite things" list for 2017, as did two Napa products from chef Thomas Keller.

For the second year in a row, Model Bakery's English muffins appear on the list, and for the first time, preserves from Clif Family Winery is also a favorite.

"These seasonal preserves are the most outstanding trio since Destiny's Child," Winfrey wrote on her website. "I've been enjoying the pluot with lavender and peach all year, and I'm so excited to try the strawberry with lavender."

Keller made the list with candles and K+M Extravirgin Chocolate, a collaboration with Tuscan olive oil producer Armando Manni.

Last year, Model Bakery included Clif's peach preserves in its muffin submission to the list, and Oprah took a liking to it Yountville.
