

THE GREEN ROOM

CAFE & BAR

GREEN ROOM (NOUN)

A comfortable space for artists to relax, prepare, and enjoy each other's company before a performance.

The term "green room" can be traced as far back as the late 1600's, but its origin is lost to history. Various theories range from the color the walls were painted, or the glow from the stage lights used at that time, to the grass-covered stage.

Whatever the case, we created The Green Room with you, our audience, in mind. We wanted to provide you with the same opportunity artists have had for over 300 years: to enjoy a welcoming environment and to talk, eat, and prepare to enjoy your show.
