DEBRA

(To the others) Now remember, when you're done with everything, we'll reconvene here and divvy up the take.

TERESA

Wait, you're not coming?

DEBRA

No, why would I—?

TERESA

So we're doing everything *ourselves*.

DEBRA

No, I orchestrated the—This whole thing was my idea.

TERESA

Right, but we're taking all the risks.

DEBRA

Stop! You should hit the road. Tick-tock.

KIMBERLY

They're scared, Aunt Debra.

DEBRA

No they're not.

TERESA

I'm pretty terrified actually.

KIMBERLY

They were only doing it for me.

TERESA

And the costumes.

KIMBERLY

No, I've decided. I won't do it if they're involved.

TERESA

(Relieved) Oh thank god.

DEBRA

(To SETH) I suppose you're bailing too?

SETH

You're not going alone. Besides, someone's gotta drive. Sorry but you're stuck with me.

TERESA

("Sweet") Aw.

KIMBERLY

(To TEENS) You guys should go.

TERESA

Okay.

(The TEENS all talk as they head off...)

MARTIN

(To AARON) I can't believe you thought I was straight.

TERESA

I mean, it seems obvious now but—

DELIA

Well yeah, everything seems obvious now.

AARON

(Suddenly interested) So, hey, Teresa...

TERESA

Too soon.

AARON

Okay.
