MARTIN

So Kim, I was thinking, if you need a disguise for the bank thing, I could probably snag some clothes from my nana.

KIMBERLY

Oh, okay.

MARTIN

Also we can use my mom's Honda as the getaway car.

KIMBERLY

You guys know it's not too late to back out, right?

MARTIN

Are you kidding? It's like, finally, some excitement around here!

AARON

What if we get caught though?

MARTIN

Who cares? It's not like any of this counts.

SETH

What do you mean?

MARTIN

I mean, high school. This town. It's not even real life. It's just the crap you have to get through before you get to the good part.

TERESA

And what's the good part?

MARTIN

Um, the rest of our lives?
