(TERESA enters and spots MARTIN and AARON by their lockers. She approaches.)

TERESA

Hey. What disease did you guys pick for bio?

AARON

Scurvy. We're pretty excited about it.

TERESA

Oh my gosh, scurvy is so good. Delia signed us up for that parasite her dad caught.

AARON

Oh. Wow.

(DELIA enters, excited.)

DELIA

Good news, you guys! I just talked to Mister Kettle about Show Choir, and he signed off on our Dreamgirls medley!

AARON

That's really great news Delia. I knew it as soon as you walked over. You're like, shining.

DELIA

(Confused)

I'm shining?

AARON

Yeah, like, happy. Your face. You're dewy.

DELIA

I'm dewy now?

AARON

God, I'm such a tool.
