- ⑦ DTC Steel Soft Closing Drawer Glides

Wall Cabinet Specifications

DESIGN AND MATERIALS

1-1/2" solid wood face frame with a unique semi; dovetail joinery that locks the side panel with the face frame. All other joinery is via dadoes, which interlock the components. All assembly is by pin and glue.

1/2" OSB with select birch wood veneer on both the interior and exterior, which is used for the top, bottom and sides.

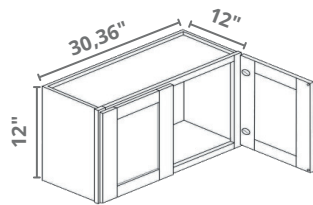

Interiors are natural birch veneers, UV clear coated with exterior sides finished to match the finish color of the doors with called out skins.

1/2" framed panel with a 1/4" panel which dadoes into the side panel with 1/2" inset from the back.

3/4" adjustable OSB shelf, finished with birch wood veneer. The top and bottom are wood edge banded on the front leading edge.

All hinges are 6-way adjustable and have an internal soft close mechanism on each hinge.

Ordering Policies

New Orders

All Orders must be submitted via email, in person, or through a DREXEL INTERIORS Cabinetry distribution center. Phone orders (verbal) and text orders are not accepted. Customers must sign all required documents provided by DREXEL INTERIORS Cabinetry. DREXEL INTERIORS is not responsible for any client errors once the order has been approved.

Order Changes/Cancellations

Once an order is placed with a DREXEL INTERIORS team member, changes or cancellations are not allowed. Orders are promptly sent into production, requiring our team to gather components and allocate production time for your project. Additional items cannot be added and must be ordered separately as new orders.

Delivery Procedures

A delivery window will be communicated to you, and a legal representative must be available at the time of delivery. Any missing items or visible damage must be reported immediately and noted on the delivery paperwork. Concealed damages should be reported within 14 business days of delivery, and photos will be required for DREXEL INTERIORS approval to support your claim.

Returns

Returns are not accepted for assembled products, installed items, or modified cabinets. All RTA returns will undergo inspection and approval. "Open box" RTA returns will not qualify for credit, and RTA returns processed beyond 30 days will also not be credited. Approved RTA returns can receive store credit or a full refund, minus a 35% restocking fee.

Product Disclaimers

Painted Finish Disclaimer

Please note that on all painted products "Joint Splits" are unavoidable. We engineer our doors to minimize splits using HDF center panels. Wood naturally expands and contracts with seasonal changes in temperature and humidity. These Joint Splits on doors up to 1/16" are not considered a defect.

Warped Doors

All wood doors expand and contract over time, therefore a small amount of warping can be expected. Wood can return to its original form after acclimating to the environment of your home. Doors warped up to 1/4" are not considered to be a defect.
