Since opening in 2003, Kemper Carpet & Flooring has earned a reputation as one of the area's top destinations for quality flooring. This woman-owned business, led by Tammy Titus, proudly offers premium flooring solutions from two convenient locations in Gainesville's Wegmans Center and Fairfax's Pender Village Shopping Center. Kemper Carpet & Flooring covers it all -- from hardwood and waterproof luxury vinyl plank to carpet, cork, rubber gym flooring, and commercial options.

Tammy, a flooring industry veteran, started Kemper Carpet & Flooring when the original Kemper Carpet founder retired, leaving clients without a trusted local flooring provider. "I wanted to create the same type of business model I started working for in 1988," Tammy shares. "There was no flooring company in the area that carried the same important values that I had been taught."

Today, Kemper Carpet is the only premier flooring center in Virginia,

offering exclusive extended warranties and full replacement options on top brands like Fabrica, Masland, and Dixie Home.

Kemper Carpet & Flooring isn't just a retail space; it's a team of skilled specialists and installers. The company's five showroom flooring experts, many with over a decade of experience, and a dedicated installation crew (including two carpet crews led by women) bring an unmatched level of service.

Tammy's commitment to her team is evident: "My installation crew have been with us for years!" Some have retired, and some have grown with Kemper. Customers also benefit from their

exclusive white-glove service for dust-free hardwood refinishing, with a thorough cleanup that leaves homes pristine.

Tammy and her team are passionate about their community, supporting causes like the Boys & Girls Club of Fauquier, the Children's Hospital of Pittsburgh, and local events. When she's not coordinating perfect flooring designs, Tammy enjoys giving back and building lasting relationships in her community.

For Tammy, the joy of the job lies in creating beauty: "We're not order takers but beauty makers," she says. Kemper Carpet & Flooring transforms homes with style, quality, and care.
