Wall Tile System:

Waterproof, Grout-Free Wall Tiles — Tile-sized interlocking grout panels provide design flexibility for unique tile patterns or for non-traditional shower and tub layouts. Each tile has interlocking edges providing a realistic tile appearance without the need for traditional grouting, cleaning and maintenance.

Features:

- Waterproof, high-density rigid PVC
- Look of natural stone
- Tongue and groove connection on each tile resembles grout lines
- Hard-wearing UV lacquer
- Tiles can be installed over most substrates including VOG, waterproof board and tile
- Matching accessories and trims complete a professional project
- Great for alternative spaces

Shower Wall System:

Grout-Free Shower Wall Systems — Large-format pre-grouted wall panels provide a fast installation of standard shower enclosures. Each wall panel features a 3-dimensional grout-look for a realistic tile appearance without the need for traditional grouting, cleaning and maintenance.

Features:

- Waterproof, high-density rigid PVC
- Complete interlocking, glue-up shower wall system
- Panels can be installed over most substrates including VOG, waterproof board and tile
- Available in 2- and 3-wall shower configurations with matching accessories
- Large-format panels quickly cover large areas
- Realistic 3-dimensional grout-look
- Look of natural stone

Panels easily install and cover large areas

Iconic Series

Large Format Panels:

Waterproof, high-density, PVC panels cover more wall space to install in about half the time of a traditional, grouted-tile installation. Panels can be glued to smooth surfaces and Fast-Click Joint System forms a realistic-looking grout line and blocks out moisture. Available in gloss and matte, stone-look finishes covered with a hard-wearing UV lacquer.

Features:

- Waterproof, high-density rigid PVC
- Look of natural stone
- Tongue and groove connection resembles grout lines
- Hard-wearing UV lacquer
- Tiles can be installed over most substrates including VOG, waterproof board and tile
- Finishes in gloss and matte
