Extra charges may incur for installer's down time.

The customer must ensure the site has adequate power and lighting to commence work. Room temperature should be at minimum 18 degrees C to allow the flooring to acclimatize.

Customer is responsible that all areas are cleared and accessible for our installers...

Allan Rug Co. cannot be held responsible for any costs incurred.

Placement of seams is at the discretion of the Installer unless otherwise specified. Seams occurs with all carpets; however, it is more noticeable with level loop carpets and is not an installation fault.
