

Making Your Project Affordable with financing options

With financing options powered by Intuit Credit Karma's marketplace partners, you are provided personalized financing offers that come with high certainty of approval. They allow you to spread the cost of a project over time, making it more manageable for your budget.

1 Pay monthly for the project

If approved for an Intuit Credit Karma financing option, you are able to pay for the cost of the project with monthly payments. You can choose from financing options ranging from 24-72 months, so you can pick the term and monthly payment that works for you.

2 See multiple offers personalized for you

Intuit Credit Karma offers a marketplace of lending partners, with financing options that are personalized to you. You can compare options from multiple lenders without having to apply, giving you more certainty in the monthly payment and the interest rate you will pay.

3 Simple Application & Fast Funding

With Intuit Credit Karma marketplace partners, the application process is streamlined and you get the funds quickly! Applications typically take less than 10 minutes, and, if approved, you typically receive the funds in 1 to 7 days.

4 Fixed Monthly Payment & No Prepayment Fee

If you are approved for a personal loan from an Intuit Credit marketplace partner, you will have a set monthly payment, making budgeting easier. Also, if you decide to pay back the loan more quickly you won't be charged anything extra.
