

TIRAMISU
MDP108 Regular Plank

The MADERA Collection presents a curated selection of modern hues, each crafted for the pinnacle of luxury. Spanning an impressive 9.5 inches in width and 86.6 inches RL in length, our French White Oak planks undergo a rigorous multi-stage crafting process. The result is exceptional style flooring, poised to invigorate your living space and elevate the ambiance of sophisticated gatherings.

While thousand of years old, the herringbone pattern is experiencing a renaissance as designers embrace equally utilizing the design as a powerful centerpiece of a project or as the complete floor. Each herringbone pattern from MADERA Collection is perfectly matched to a respective plank, both in appearance and thickness allowing seamless transitions when used in unison on a project.
