5" W and 24" L Herringbone

While thousand of years old, the herringbone pattern is experiencing a renaissance as designers embrace equally utilizing the design as a powerful centerpiece of project or as the complete floor. Each herringbone pattern from MADERA Collection is perfectly matched to a respective plank, both in appearance and thickness allowing seamless transitions when used in unison on a project.

WARRANTIES

This style has colors ranging from light to dark. Wood is a natural product with inherent differences in color, texture, and grain that may not be represented in this room scene. Please ask a sales professional for a picture that better shows the variations. Each plank is coated with an organic, eco-friendly, and durable UV-cured finish, preserving its natural beauty. This robust layer not only safeguards your flooring but also maintains its fresh, new appearance and feel for years to come.
