DESIGNING DREAMS™
FLOORING & REMODELING

KITCHEN TREND: Add a bit of drama to your design with an oversized kitchen island, waterfall edge, and toe kick lighting.

YOUR REMODEL STARTS HERE

DESIGN-BUILD AWARD WINNING REMODELING

Designing Dreams Flooring & Remodeling is your one-stop solution for all your home design and construction needs. We take your vision and bring it to life, ensuring every detail is executed with precision. We work with the finest materials, skilled artisans, and the latest technology to turn your dreams into a reality. Don't just live in your home, fall in love with it all over again.

EXPERIENCED PROJECT MANAGEMENT

Renovating a home is a journey, and we ensure it's a smooth one. Our experienced project managers oversee each detail, ensuring deadlines are met and the result exceeds your expectations.

TAILORED TO PERFECTION

We understand that no two homes are alike. We take the time to listen to your vision and collaborate with you to create a design that's as unique as you are.

KEEP IT ORGANIZED

Keep your kitchen well organized with these solutions.

Appliance Garage: This dedicated space reduces clutter, making your kitchen appear more spacious and is an excellent solution to storing smaller appliances such as the toaster and blender that are not frequently used but still need to be within reach.

Walk-in Pantry: A walk-in pantry is multi-functional and a great solution for organizing kitchen and non-perishable items, keeping them out of sight and freeing up valuable counter and cabinet space.

Island Storage: Maximize your kitchen island storage with doors, drawers and shelves on multiple sides.

MAXIMIZE STORAGE

STORAGE & DESIGN SOLUTIONS

HIDDEN TOWELS

Convenient & out-of-site
paper towel holder

CHARGING STATION

High tech solutions for your
phones & electronics

DESIGNING WITH OPEN SHELVING

A stylish and functional trend, with so many options, it's no surprise open shelves are a kitchen staple. When selecting shelves, consider material, depth, bracket finish, and mount style. These elements help you maximize storage and create a conversation-worthy addition to your kitchen.

Glass & Metal

Wood & Metal

Wood Shelves

Stone Ledge

KITCHEN TREND: Upgrade your kitchen with a slab backsplash and stone ledge behind the cooktop or range to create a stunning focal point.

water when cooking

PREP & RINSE

Workstation Sink

Interchangeable cutting boards, drying rack, and stainless steel bottom grids allow you to combine prep and clean in one place.

Beverage Ice Trough Sink

Customize your sink to your needs with a linear prep and drink sink. Perfect for small spaces.

Custom Pet Feeding Station

Incorporate a feeding and water station for your pets. This area can be concealed or left open, and makes feeding pets a breeze with in cabinet pot filler.

DESIGNING DREAMS™

YOUR BAR FROM A.M. TO P.M.

Complement your kitchen design with a home bar. These options maximize style and function.

- Add character to your design with a distinctive backsplash and hardware.
- Utilize wine racks and shelves for display and storage.
- Add a built-in coffee maker to start your morning.
- Include a beverage cooler or ice maker for entertaining.
- Be creative and design a space that reflects your unique style.

COOKING FUNDAMENTALS

COOKTOPS & RANGES

Today's modern stovetops and ranges feature a fusion of sophisticated design and state-of-the-art technology. Find the right options to craft your dream kitchen.

SPEED OVENS

With cooking selections like broil, bake, and convection, you can prepare any dish in a variety of ways. Plus, these choices cut your cooking time in half.

WARMING DRAWERS

Whether you're hosting a big celebration or having a late dinner, warming drawers ensure that your food stays warm and ready to serve.

HARDWARE TRENDS:

Elevate your kitchen with beautiful hardware. Add interest to cabinetry by mixing different styles of hardware in the same finish or combine different metals to create a lived-in, layered look. Also, consider incorporating unique drawer pulls or eye-catching knobs for a unique design.

PROTECT YOUR FLOORS

More than just a decorative accent, a rug provides comfort and protects your floors from wear and tear. With the right care and maintenance, your rug will remain beautiful and comfortable for years to come. Ask a designer about our custom rug selection.

LIGHTING DESIGN

TASK

Task lighting targets a specific area to aid in performing a task, like under-cabinet lighting.

AMBIENT

Ambient lighting offers uniform light throughout a space.

ACCENT

Accent lighting draws attention to an object or area like toe kick lighting.
