

Why Choose C & R Flooring

THE US vs. THEM DIFFERENCE FOR CONTRACTORS

1. **We have proper insurance!** C&R Flooring carries the required general liability and worker's compensation insurance. We are happy to provide copies of certificates of insurance upon request.
2. **We are reliable!** Simply stated, we show up. Our team of in-house sand and finish guys begin their work day at our Westwood headquarters to collect supplies and receive instruction and dispatch to your jobsite. We are in control of our trucks and our teams. If you have a question, call the office or reach out thru answers@candrflooring.com we will get an answer for you.
3. **We use the latest technology in dustless extraction!** No sawdust bags on our equipment. We evacuate the dust out of the jobsite and in to our trucks using the most innovative dustless extraction equipment by Bona.
4. **We are a legitimate, incorporated company that follows standard business practices!** We can order material and have it delivered using our various suppliers with whom we have long standing relationships. You will not have to meet the truck and prepay for the materials. We have credit and as long as we are under contract for the project, you have credit with us. We accept various forms of payment. Payment terms and plans are available.
5. **We have a reliable fleet of trucks that are up to date!** All of our trucks are properly maintained, cleaned daily and the exteriors are washed regularly. The fleet is current and equipped with the latest technology for the best possible outcome of your flooring project. No broken trucks leaking oil on your client's driveways.

6. **We can provide a written guarantee and warranty!** Rest assured your project is protected by our warranty of product and guarantee of service. If there is an issue we will take care of it. We stand behind our work.
7. **We provide educational support to our immigrant workers!** If we have an immigrant worker who struggles with English, when the need presents itself, we happily sponsor them in English class. Our goal is for each employee to always have the ability to communicate better with every passing day. C&R Flooring values their talents and refuses to let a language barrier be an issue on your jobsite.
8. **We use first quality products!** We are a region specific buyer of hardwood. All of our flooring is typically Northern application oak, which is of the highest quality and clarity/grade available in the flooring industry. We don't buy on price. We buy on quality and leverage our buying power to offer you competitive pricing.
9. **We have the necessary certifications** All of our sander technicians are Bona Certified Craftsmen and National Wood Flooring Association (NWFA) educated.
10. **We have industry discounts for builders and remodelers!** We have pricing discounts for contractors that you can choose to keep or pass on to your clients. The choice is yours. If you are specifying a multi-lot subdivision we can assist in model home programs and project specific, locked in pricing
