

COVID Secure procedures/terms of use

Effective 24/3/2021

We are delighted to be able to welcome you back to Friesland School.

We have procedures and requirements in place, in order to keep everyone as safe as possible. Please share this information with all relevant parties. Your staff are responsible for ensuring anyone involved with your letting follows these procedures.

We take the safety of both yourselves, our staff and our students very seriously. We will not hesitate to suspend sessions if we feel hirers are not acting in a COVID Secure manner.

Due to the dynamic nature of being COVID Secure, these procedures may change from time to time. The most up to date version will be posted on our website frieslandschool.com/lettings and will be sent to hirers.

Risk Assessments

All hirers **must** provide a COVID Secure risk assessment before their letting commences. Please check that this is still fit for purpose and where you have updated it, please provide us with a copy of the latest version.

NHS Test and Trace

Please encourage all your staff, coaches, players and spectators (where permitted – see below) to participate in NHS Test and Trace.

For those aged 16 and over, please use the **Venue Check In** feature of the NHS COVID-19 app. There are QR codes in the following locations:

- In the classroom windows facing the 3G pitch
- On the Football Coordinator's office door
- On the fence outside the 3G pitches
- At the sanitising station inside the 3G entrance

For groups involving persons aged under 16, or persons unable to use the NHS COVID-19 app, please complete our Test and Trace form at frieslandschool.com/lettings
