**THE WESTMINSTER KENNEL CLUB ANNOUNCES
JUDGING PANEL FOR THE HISTORIC 148TH EVENT**

*A lifelong preservation breeder and top-winning dog handler
will select America's Dog for 2024*

New York, NY — The [Westminster Kennel Club Dog Show](#) presented by Purina Pro Plan, America's second-longest continuously held sporting event after the Kentucky Derby, announced the Best in Show judge for the historic 148th Annual Westminster Kennel Club Dog Show will be Mrs. Rosalind Kramer of High Point, North Carolina. Mrs. Kramer will make her selection on the evening of Tuesday, May 14, in Arthur Ashe Stadium the culminating night of the competition. Westminster Week will be held for the second year at the home of the US Open, the [USTA Billie Jean King National Tennis Center](#) in Flushing, New York.

Mrs. Kramer brings a lifetime of experience as a preservation breeder, professional dog handler, American Kennel Club Executive Field Representative, and judge to the most prestigious assignment in the sport.

As a child, Mrs. Kramer started in the sport showing her Wire Fox Terriers. She later worked for a top Scottish Terrier breeder after school and on weekends, to learn animal husbandry, and gain more experience showing dogs. Later she apprenticed under a prominent professional dog handler and eventually became a highly successful top handler herself while continuing to be a preservation breeder. Mrs. Kramer has bred National Specialty and All-Breed Best in Show winners, and numerous top-ranked dogs. She handled top-winning Terriers and Toy dogs setting records that still stand today.

At the end of her career as a professional dog handler, Mrs. Kramer worked for the American Kennel Club (AKC) as an Executive Field Representative and Judges Education Chair. She retired from the AKC when she married Dr. Andrew Kramer, a fellow Terrier enthusiast, and began her judging career.

She is approved to judge the Terrier, Hound, and Toy Groups, as well as half the Sporting breeds and Best in Show. She has judged Best in Show at the prestigious

Montgomery County Kennel Club, as well as Group competitions at the AKC National Championship Show. This will be Mrs. Kramer's fifth assignment at Westminster. She judged the Terrier Group in 2018, and the Toy Group in 2022.

Tickets for Westminster Week will become available in early 2024. You will find the full schedule of events, telecast, and streaming schedules at westminsterkennelclub.org as the information becomes available.

About the Westminster Kennel Club

The Westminster Kennel Club, established in 1877, is America's oldest organization dedicated to the sport of dogs. It hosts the iconic, all-breed Westminster Kennel Club Dog Show, the second-longest, continuously held sporting event in the U.S. after the Kentucky Derby, and since 1948, the longest nationally televised live dog show. The Club's mission, which enhances the lives of all dogs, celebrates the companionship of dogs and promotes responsible dog ownership and breed preservation. The Club advocates for purpose-bred dogs, with an understanding that each breed has a legacy and history that deserves to be taught, honored, and preserved. The Club uses education to raise awareness and encourage owners to conscientiously select dogs that are the right match for their families. The annual dog show—a conformation competition for purpose-bred dogs—and the Masters Agility Championship and Masters Obedience Championship—where dogs from all backgrounds are eligible to compete—make Westminster Week with over 3,000 dogs from the U.S. and around the world, a pinnacle experience for any dog lover. America's Dog Show has captivated canine enthusiasts for more than a century. WESTMINSTER.
