June 5 - 12, 2019

With
Haaweatea Bryson
and Suraj Khalsa

This is a Rite of Passage into the fullness and wholeness of you as a woman.

This is held on the original initiation grounds of Hawai'i, above the crater and crown of Pele.

This immersion into your own Heroine's journey is an opportunity to explore deeply into yourself.

**We move through the essential 11 stages for the Heroine and transformation;
including meditation, individual and collective ceremony, solo time on the land and deep process work.**
