2026: A New Year, New Beginnings

With the new year, Edgerton Care Center enters a season of leadership transition while continuing our commitment to compassionate, high-quality care. Amy Ramirez, Administrator, will conclude her time at Edgerton on February 6, followed later in the month by Bertha Cruz Herrera, Director of Nursing. We are deeply grateful for their dedication to our residents, families, and staff, and we wish them both the very best in their next chapters.

Carmen Clark

We are also pleased to welcome Carmen Clark as our new Administrator. Carmen brings strong leadership experience and a heartfelt commitment to resident-centered care, and she will work closely with our team to ensure the continuity of the care we're known for.

As we look ahead to 2026, our focus remains on providing exceptional rehabilitation therapy and senior care in a warm, welcoming community—creating meaningful moments and trusted care for the residents and families we serve.

Resident Spotlight Diane R.

Meet Diane, our talented resident with a passion for crafting! Diane loves knitting and crocheting, and her skills are truly impressive. She's created adorable clothes hangers for our BINGO store, using yarn to keep clothes perfectly in place. Diane enjoys playing BINGO on Tuesdays and Thursdays, and Euchre on other afternoons. Her creativity and kindness shine bright - let's give Diane a big round of applause!
