## Welcome our new Administrator:

My name is Quinten Hoskins, and I am the new Licensed Nursing Home Administrator at Geneva Lake Manor. It is a privilege to join such a beautiful and resilient community and facility. I have experience in both acute and long-term care, both of which have taught me how important strong leadership and teamwork are to the overall quality that is needed for our residents. I hope to bring to Geneva Lake Manor and the community in general strong interpersonal relationships, continuing to build on workplace culture of dignity and respect, and moving the facility forward with the organization's goals in mind. When I studied at Concordia University of Wisconsin for my

bachelor's degree in Healthcare Management, one of the many things I admired about that time was conversations about the need for servant leadership in the world. It is not only my job but my duty to ensure that the quality of care at Geneva Lake Manor is a positive and remarkable one for our residents. I have been welcomed with such grace and warmth by the many dedicated team members here that it keeps me inspired and ready to take on the responsibility that I have been entrusted with. Outside of work, I love to barbeque no matter the weather, and I am a proud Bulls and Bears fan as a Chicago native. Thank you all!

Quinten Hoskins, LNHA

## Resident of the Month

Our resident of the month for January is Joseph B. He was born on February 20 in Chicago, IL. Joe grew up in Chicago with his Mom, Josephine, Dad, Raymond, and sisters, Linda, Maria, and Sylvia. He worked at J.I. Case as a machinist and on computers. Joe has spent his life as a bachelor and has one son, Nicholas. His favorite movie is Serpico with Al Pacino. His favorite place to go was wherever his motorcycle took him. In his free time he enjoys hanging out with his son. Joe's favorite holiday is the 4th of July. He enjoys Italian and Mexican foods, and the color royal blue. Something you may not know about Joseph is that he belonged to the National Guard for 21 years. He was a Heavy Transportation Operator and drove 20 ton trucks!
