Employee Of the Month: Kurt Hodgson

My name is Kurt Hodgson. I was born in Mt. Horeb and lived in Hollandale and currently reside in Blanchardville. I graduated from Edgewood College in 2004. I have had the opportunity to enjoy many professions in my life. My three favorites are probably Owner of Hodgson Foods in Barneveld for three years, owner of KHC (Kurt Hodgson Construction) for 15 years, and manager at Mt. Horeb Lumber Do It Best for 8 years. I really enjoy my current position at Ingleside. I really enjoy coming to work to see the wonderful staff and the amazing residents.

ACTIVITY PHOTO HIGHLIGHTS

Resident of the Month: Kenneth S.

I was born July 31, 1952, in Madison Wisconsin. I come from a blue-collar tradesman. My Father was a Plasterer and member of the union. My mother was both a housewife and worked at the canning factory. I have 2 older brothers, Jim and Jack.

I have recently had the honor of being voted as Resident Vice President here at Ingleside. Alongside the Resident President, I try to keep in mind the needs of the residents I represent at our monthly council meetings.

Growing up, one of my biggest influences in my life has been my brother, Jack. He taught me kindness when he gave me a place to live. My other brother Jim is also a very kind person. I believe they got that from our mother.

One of my most difficult memories was when I was 5. I was riding in the car with my mom when we got into an accident. Sadly, my mom didn't make it. Fortunately, I had loving, caring relatives. They were kind of like a cushion. My life has not gone as I would have imagined, losing parents at a young age, so I never had that experience. However, one of my fondest memories was while I was on my High School football team. Our team lost to Waunakee 13 straight years. Then finally, when I was a sophomore, we beat them!

One of my favorite trips was when we went to Michigan. We visited Niagara Falls. That was a very impressive sight to see! We also went on a boat and sat at the base of the Falls! I am most proud of how I survived. Through all life's trials and tribulations, I survived.

Some wisdom I would like to pass on to future generations would be to never give up and hang on to what you got. A message I would like to share with my family is to "just hang on."
